

# CHINA'S CRY

June 2011

How shall they hear without a preacher? How shall they preach unless they are sent?

## Introducing: Friends of China

*The Forbidden City - Beijing, China*

We would like to introduce you to a new name and a new way of helping the many humanitarian, discipleship and evangelism projects that HFC International is involved with in China. From producing inspirational programmes for Chinese TV to providing personal support and encouragement to those working and ministering in this vast country the **FRIENDS OF CHINA** programme allows our friends to Partner with us in a number of practical ways:

- 1) Pray for us
- 2) Give a monthly or bulk gift donation towards our £5,000 / year annual budget.
- 3) Join one of our ministry trips

**to China. You will be able to see firsthand what God is doing in the hearts & lives of its 1.4 billion people.**

**4) E-mail or write to us for a "Friends of China" church pack. This will help to inform your local church to enlist members for prayer support.**

**5) Share these newsletters with your church, friends and neighbours.**

As the open doors continue to increase in front of our eyes we are putting together a Friends of China team to liaise with you, our Partners, and churches worldwide.

We are also Partnering financially with New Day Orphanage China (more info on the back page). We know the leaders who run this personally and have filmed at the Orphanage. Together we can do it!

**"China's Cry" is the China Outreach publication of Harvest Fields Commissioning International - a U. K. Registered Charity**

One of the New Day Orphans

In 2011 we are pledging £50 / month towards the work of the New Day Orphanage which takes babies that desperately need a heart operation, arranges and pays for the operation and then fosters or arrange for them to be adopted by families in New Day's local village, just outside of Beijing.

**WILL YOU HELP US IN GIVING SOME PRACTICAL HELP TO THE CHILDREN OF CHINA?**

Just fill in the coupon below.

**HOW CAN I HELP CHINA?**

1. **PRAY** - each day for the Christians there, for those lead the churches in every town and village. Pray for the Christian businessmen and women who are also working in ministry and/or engaged in the discipleship of new Believers.

2. **GIVE** - and become a "FRIENDS OF CHINA" sponsor. We don't know if we have tomorrow to work in China. We DO KNOW that we have open doors today.

3. **GO** - on a short term trip, helping in a humanitarian effort, teaching EFL or some other way to work in China and be a physical and spiritual help to the people there.

4. **LEARN** - about what God is doing there through newsletters, magazines, DVDs, TV, etc. Knowledgeable and faith-filled prayer is effective prayer.
